VIKING

Greetings to all,

Happy Independence Day to you. May you have a safe and enjoyable 4th of July. We will be enjoying Lake City's July 4th Celebration taking place around Lake Desoto in downtown Lake City with entertainment starting at 5:30 and a 20 minute plus fireworks display starting at 9:20. Come on down and enjoy the evening.

The 23rd Annual Husqvarna Viking Convention was held early in June in the Dallas Texas area. This year's convention did not have the hype associated with last year's introduction of the Designer Diamond but was, nevertheless, an exciting event. The Sapphire Line was re-introduced with an overall update to the appearance and the addition of new stitches on the 855 and 875. A new Emerald, the 203 was introduced and comes with 103 stitches, a quilting table and a walking foot. Lastly, two new sergers were announced that will replace the existing Huskylock 905, 910 and 936. The new sergers will be available later this year.

Other new products introduced include an Interchangeable Dual Feed with two feet and left and right guides; a 9mm flat felled foot, a new 150 X 150 Texture Hoop, a Monogram software package that works with your 4-D Embroidery Extra program and several new design packages.

Husqvarna Viking recommends an annual cleaning and servicing of your sewing machine and serger. Our price for this service: \$70.00.

Become certified on our Husqvarna Viking 18 X 8 Long Arm Quilter and QBOT automated quilter and then you can rent our in-store

machine to finish your quilts. Call for details and sign up soon.

Looking for some new (old) ideas? We now have a small lending library of magazines and books that you can check out and take home with you to find something new for you to do. No charges or fees for our library – no late fees either. Just ask the next time you are in the store.

COMING SOON - Amygene's Frequent Buyer Club. Every time you purchase fabric at regular price we will punch your card for the \$ amount of your fabric purchase. When you have \$200 in fabric purchases, you will receive \$20 off your next fabric purchase.

We are pleased to announce the establishment of an AccuQuilt Cutter Club for \$49.00 per year. As a member of the AccuQuilt Cutter Club, you can cut as much fabric during the term of your membership at no additional cost. We have several block, square and strip dies to select from. Perfect cuts every time.

Amygene's is celebrating Christmas in July by offering several classes featuring our holiday fabric. Get out of the heat and come join us for some fun and fellowship. Details follow.

Thanks for being our customer. We sincerely appreciate your business.

Amy, Gene, Ruth K, Ruth W, Beverly & Gail

JULY Events

July 9, 1:00 p.m. – Christmas Table Runner – Braid Runner. A great looking table runner which is sewn with a “quilt as you go” method, so after piecing the quilt there is only binding and you are done! \$25.00 plus pattern and materials.
